#### **B. Additional information by the State:**

i.	The total demand as per demand survey is for 670 houses.
ii.	HFAPoA and AIP have already been submitted and will be entered in MIS soon.
iii.	The recruitment process for SLTC will be initiated after funds are released. No CLTC is necessary since there is only one mission city. U.T. Admn. sought assistance for recruitment of professionals for SLTC for Port Blair.
iv.	The U.T. has accomplished 3 mandatory reforms. With regard to reform No. 4, the ULB is in the process of releasing pre-approved design which is expected to be completed by 31st July 2017. Considering the land pattern and non-availability of large chunk of land for such schemes, at present there is no proposal for additional FAR (Reform No.6). The U.T. Admn. is taking up matter with the Ministry of Home Affairs.
v.	Survey data is yet to be entered into PMAY-MIS portal.

#### **C. CSMC observations:**

i.	The ULB to make sure that all beneficiaries are willing to contribute their share for construction of houses.
ii.	The construction of BLC (New) houses should be completed by the beneficiaries upto plinth level with their own fund before funds are transferred to beneficiaries.
iii.	Encumbrance free land to be made available after transfer of land title to Andaman & Nicobar Administration by the competent authority.
iv.	Since the construction cost of the houses are quite high in Port Blair, UT of Andaman & Nicobar may consider its own contribution in the projects as was done by the other UTs namely Daman & Diu, Dadra Nagar Haveli and Puducherry.

v.	The BLC-Enhancement projects proposed are not as per extant guidelines and need to be revised.
vi.	The unutilized GoI fund released under JNNURM may be refunded immediately with applicable interest.

#### **D. CSMC Decisions:**

In view of the above, the CSMC:

- (i) accorded “in principal” approval for Central Assistance amounting to Rs. 8.565 Crore for 2 AHP Projects submitted by the Union Territory of Andaman & Nicobar Islands for construction of 571 houses in EWS category under PMAY (U) as per details at **Annexure II-A**

10.	<b>Consideration for cancellation of 20,060 houses in 197 BLC (New) projects considered in 11<sup>th</sup> CSMC meeting submitted by the State of Karnataka (Agenda 6)</b>
-----	--

#### A. Brief Information:

The State Government of Karnataka has proposed for cancellation of 20060 houses in 197 projects (except Gadag BLC project) out of 198 projects considered for Central Assistance in

11<sup>th</sup> CSMC meeting held on 11.8.2016 and proposed for retention of 530 houses in 17 projects (out of the 197 projects). The SLSMC in its 7<sup>th</sup> meeting held on 26.05.2017 had approved cancellation of 20060 DUs due to non-validation of beneficiaries.

#### **B. CSMC Observations:**

The CSMC observed that the State has given only number of houses to be retained in 17 projects out of 197 projects approved in 11<sup>th</sup> CSMC, but details such as project cost, State/ULB/Beneficiary share etc. have not been mentioned. This information is required in the Ministry.

#### **C. CSMC Decision:**

The proposal was deferred and State Government was directed to furnish project-wise details of Project Cost, State/ULB/Beneficiary share in the projects proposed for retaining with reduced number of houses for consideration of CSMC.

11.	<b>Consideration for replacement of Capacity Building Specialist and Urban Planner in CLTCs with Social Development Specialist and Municipal Finance Expert respectively, for Annual Capacity Building Plan 2016-17, submitted by the State of ASSAM (Agenda 7)</b>
-----	---

#### **A. Basic Information:**

The proposal was for replacement of Capacity Building Specialist and Urban Planner in CLTCs with Social Development Specialist and Municipal Finance Expert respectively, for Annual Capacity Building Plan 2016-17, which has been approved by SLSMC. State Govt. has confirmed that the qualification for Social Development Specialist and Municipal Finance Expert will be Graduate and Post Graduate respectively as was for Capacity Building Specialist and Urban Planner respectively as earlier proposed by State Govt. and approved by Ministry of HUPA. Hence, there will be no change in grant of Central Assistance and the proposal does not involve any financial implication.

#### **B. CSMC Observations:**

1<sup>st</sup> CSMC has already approved the nomenclature of experts for SLTC & CLTC.

#### **C. CSMC Decision:**

Given the decision of 1<sup>st</sup> CSMC, the directions incorporated in such decision are to be followed.

12	<b>Consideration for reimbursement of expenditure incurred by National Housing Bank in respect of the 10 workshops held in various cities on CLSS in relaxation of the existing norms laid down by CSMC (Agenda 8)</b>
----	--

**A. Relaxation of expenditure i/r of Workshops in various cities on CLSS**

The Committee considered the facts placed before it and in that light noted that there is considerable justification in considering a relaxation of the extant norms under which the reimbursement proposals for the workshops held by NHB were considered. Accordingly, CSMC agreed to the proposal for reimbursement of Rs. 1,80,564/- towards the workshops held at 10 cities i.e. Lucknow, Patna, Srinagar, Trivandrum, Ranchi, New Delhi, Ahmadabad, Kolkata, Kohima and Ernakulum being the amount due to NHB in excess of the approved norms as a onetime relaxation.

**B CSMC Decision:**

In view of the above, the CSMC approved and recommended Rs. 1,80,564/- being difference between the expenditure admissible under the then prevalent norms and as admissible under the extant norms for workshops under CLSS to NHB.

13	<b>Discussion on Credit Linked Subsidy Scheme</b>
----	---

**1. Andaman and Nicobar Islands**

The representative of the UT informed that 84 potential beneficiaries have requested for benefit under CLSS through applications, after an awareness drive was carried out in Port Blair. The representatives of CNAs informed that SBI and Vijaya Bank are actively following up on home loan applications from potential beneficiaries.

**2. Uttar Pradesh**

The representative of the State Government informed that considerable response has been received in Loan Melas being organized by Awas Vikas Parishad. Secretary (HUPA) directed that a concerted effort for CLSS be made in the State with the participation of a larger number of HFCs as the potential beneficiaries under CLSS for EWS/LIG indicated by the demand assessment is 4 lakhs.

**3. Karnataka**

The representative of the State Government informed that it is examining execution of tri-partite agreements between local bodies, lenders and beneficiaries to increase offtake of built up units. For this purpose, a discussion was held with NHB also. It was also informed that the State Government will take up the issue of lack of participation of PSBs in the State with SLBC.

<b>14</b>	<b>Other important observations</b>
-----------	-------------------------------------

The following important observations were made regarding project proposals under PMAY (U). States should take note of the observations of CSMC and take further action accordingly:

- i. It was suggested that States and UTs share good quality images of the housing for documentation of case studies. It was also advised to document success stories of the PMAY (U) projects which highlights a tangible change in the livelihood of the beneficiaries due to this programme.
- ii. MoHUPA will document, film and disseminate the good practices through its quarterly newsletters.
- iii. The States were advised to incorporate latest technology in construction of housing units and document the same.
- iv. A robust MIS System is critical for PMAY (U) Mission. States need to constantly monitor the progress of survey data entries and link to sanctioned projects in PMAY (U)-MIS.
- v. The agencies responsible for implementation of PMAY should get themselves registered on Public Finance Management System (PFMS) portal.
- vi. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY as under:
  - a. In case of Centrally Sponsored Schemes:
    1. For Beneficiary Led individual house Construction (BLC), under PMAY (Urban), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
    2. In the case of Affordable Housing in Partnership (AHP) and In-Situ Slum Redevelopment (ISSR) projects under PMAY (U), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhaar numbers of the beneficiaries duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.
  - b. In case of Central Sector Scheme:
    1. for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNAs
- vii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting it to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies are distinct.
- viii. Projects such as VAMBAY, JNNURM, which have already been funded under housing schemes of GoI should not be considered for further funding under PMAY (U).
- ix. Under BLC, all individual houses shall have to be Geo-tagged on the BHUVAN (MoHUPA) application. Further, the States are advised to release funds to the

beneficiary only after the beneficiary completes the construction up to foundation level through their own funds.

- x. It was suggested that process of Aadhaar Payment Bridge (APB) be initiated for transfer of installments to the beneficiaries subject to guidelines of Ministry of Electronics & Information Technology (MeitY)/ Unique Identification Authority of India (UIDAI) in this regard.
- xi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U). The Ministry of Housing and Urban Poverty Alleviation has not authorized any individual/organization/agency to collect application/registration fee for applying for DUs in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this fraudulent activity.
- xii. BMTPC to come out with a standard layout for BLC projects for all States/UTs.
- xiii. Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (TPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
- xiv. All states should utilize the released central funds before September, 2017 and avoid parking of funds.

The meeting ended with a vote of thanks to the Chair.
