**Minutes of the 29th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban)- Housing for All Mission held on 27 December 2017**

The 29<sup>th</sup> meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY(U)] was held on 27 December 2017 at 2:00 P.M. in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in chair. The list of participants is at **Annexure-I**.

2. At the outset, Secretary, Ministry of Housing & Urban Affairs (MoHUA) welcomed the participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. During the meeting, Secretary (MoHUA) emphasised on the following:

- i. States/UTs need to expedite grounding of projects so that they are completed within the scheduled timeline.
- ii. Guidelines on Demonstration Housing Projects (DHP) under Technology Sub-mission of PMAY (U) are under revision and will be finalised soon.
- iii. State/UT Governments should exempt sanctioning of building plan on plot size less than 100 sq. metre. States/UTs may also prepare and circulate standard building plan design for plot size upto 100 sq. metre.
- iv. States/UTs should ensure that the PMAY (U) logo is displayed in all housing units constructed under this Mission.
- v. The State/UT Governments should consider ISSR component of PMAY (U) for rehabilitation of slums since it requires lesser investment as land is used as a resource which is readily available with the State/UT/ULBs. A workshop on leveraging the ISSR component is being organized by the State Govt. of Gujarat on 16-17 February 2018 in which State representatives will be invited.
- vi. With regard to the vacant houses under JnNURM, the State Government/UTs should look for realistic, pragmatic options so as to allot these houses to eligible beneficiaries in urban areas, as per guidelines.
- vii. States/UTs should implement innovative, cost effective and high quality construction technologies for constructing the housing units under PMAY (U). The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- viii. State Governments/UTs must expeditiously complete demand survey so that the target of the Mission – Housing for All by 2022 is achieved in time.
- ix. The criteria for selection of developer for ISSR projects could be ‘maximum number of EWS houses being offered by prospective bidder’ so that maximum number of eligible beneficiaries may be benefited.
- x. States/UTs may prefer arranging rent to the beneficiaries during the interim period of construction of houses under ISSR projects for its speedy completion.
- xi. The States/UTs Governments to furnish regular update on the above issues to the HFA Mission Directorate, MoHUA.

3. Joint Secretary and Mission Director (HFA) introduced the agenda for the meeting. The agenda items also form part of the minutes. The item wise minutes are recorded as follows:

#### **B. Additional information given by the State:**

i.	Total applications received after de-duplication is 27,34, 293. Demand survey has been taken up in all the 653 approved cities and data has been validated in 539 Cities. HFAPoAs/ AIPs are under preparation.
ii.	BLC: Out of the 1,62,464 houses approved, 10,032 houses are under progress and all have been Geo-tagged.
iii.	All the 1,02,047 beneficiaries of the instant BLC proposal have been validated and

	found eligible as per PMAY (U) guidelines. All the beneficiaries are Aadhaar linked.
iv.	Pre-approved designs and layouts conforming to NBC norms have been proposed depending on the earthquake prone zones and type of foundation strata. Different layout designs will be prepared to construct the houses. Minor variation depending upon size and shape of the land would be done. ULBs will monitor and approve the changes as required, if any, ensuring NBC norms.
v.	The ownership of houses will be ensured in favour of Women/ Joint name.
vi.	For 2017-18 the target fixed is 5.00 lakh EWS houses including 1.00 lakh under CLSS.

### C. CSMC observations:

i.	3 AHP projects namely Meerut (144 houses), Meerut(128 houses) and Sultanpur (192 houses), are having less than 250 houses in each.
ii.	Progress of grounding of earlier approved houses under BLC is not satisfactory. It was directed that the approved projects are grounded immediately and completed within the scheduled timeline.
iii.	The compliance of already sanctioned BLC (E) projects is pending. The State needs to take necessary action.
iv.	ISSR projects for slum rehabilitation should be taken up on priority. There is considerable scope for ISSR projects in towns such as Lucknow, Varanasi, Kanpur, Allahabad, Agra, Gorakhpur etc.
v.	The State should also focus on developing projects under AHP vertical of PMAY (U). The State should take on board the Housing Board, Development Authorities, SUDA and other Government agencies, developers etc. and may consider to conduct a workshop wherein representative from the GoI will also participate to promote more AHP projects.
vi.	To create awareness on PMAY(U), the State Government should actively promote IEC activities.
vii.	State to ensure that: <ul style="list-style-type: none"> <li>Adequate infrastructure is provided including individual water, sanitation and electricity connections.</li> <li>Only eligible beneficiaries are selected as per PMAY guidelines and there should be no duplication/change in the identified beneficiaries.</li> <li>Demarcation of land and mutation is carried out before implementation.</li> <li>The design and construction of houses is disaster resilient and the specifications conform to IS/ NBC norms.</li> </ul>
viii.	Out of 1,62,464 houses sanctioned earlier, beneficiaries attached with valid Aadhaar are 1,00,383. State to expedite all MIS entries and beneficiary attachment within a month.

### D. Decision by CSMC

In view of the above, the CSMC:

- accorded relaxation as per the provision at para 6.4 of PMAY(U)-HFA guidelines for 3 AHP projects having less than 250 houses (Meerut-144, Meerut-128 and Sultanpur-192).
- accorded approval for Central Assistance amounting to Rs. 27,897.00 lakh for 20 projects under AHP for construction of 18,598 houses in EWS category as submitted by the State Government of Uttar Pradesh under PMAY (U) as per details at **Annexure VII A**.

- iii. accorded approval for Central Assistance amounting to Rs. 1,53,070.50 Lakh for 282 projects under BLC (New) for construction of 1,02,047 houses in EWS category as submitted by the State Government of Uttar Pradesh under PMAY (U) as per details at **Annexure VII B**.
- iv. recommended release of the first instalment of central assistance amounting to Rs. 11,158.80 lakh (40% of central assistance) for the 20 AHP projects of Uttar Pradesh.
- v. recommended release of the first instalment of central assistance amounting to Rs. 61,228.20 lakh (40% of central assistance) for the 282 BLC (N) projects of Uttar Pradesh.

#### **B. Additional information given by the State:**

i.	Out of the approved 44 towns, demand survey is complete in 41 towns. After validation, it is anticipated that the demand shall be between 2.18 to 2.62 lakh houses.
ii.	For SLTC, out of the approved 10 experts, 8 are deployed.
iii.	For CLTC, out of the approved 68 experts, 44 are deployed. Recruitment of the remaining experts is in process.
iv.	The State is planning to issue a monthly newsletter on PMAY (U). The newsletter shall cover the success stories highlighting the change in the livelihood of the beneficiaries due to this programme.
v.	For developing ISSR projects, 50 per cent of the land is allotted to private players for development.

#### **C. CSMC observations:**

i.	ISSR: The State Government should not focus on the premium from the developers. In big cities, the main focus should be on construction of more houses including rental housing for migrants and daily labourers.
ii.	The State needs to expedite the grounding of projects so that they are completed within the scheduled timeline.
iii.	The State should ensure access to various locations proposed in the projects.
iv.	State to ensure that: <ul style="list-style-type: none"> <li>o Adequate infrastructure is ensured including individual water, sanitation and electric connections.</li> <li>o There should be no duplication/change in the identified beneficiaries and consent of the beneficiaries are taken for relocation wherever applicable.</li> <li>o Demarcation of land and mutation is carried out before implementation.</li> <li>o The design and construction of houses is disaster resilience and the specifications conform to IS/ NBC norms.</li> </ul>
v.	Out of 1,20,182 houses sanctioned earlier, beneficiaries attached with valid Aadhaar are 66,734. State to expedite all MIS entries and beneficiary attachment within a month.
vi.	Utilization Certificates of Rs.75 cr. is pending under PMAY (U). State to expedite submission of pending UCs.

#### **D. Decision by CSMC**

In view of the above, the CSMC:

- i. accorded approval for Central Assistance amounting to Rs. 13,789.00 lakh for 19 ISSR projects for construction of 13, 789 houses of EWS category as submitted by the State Government of Jharkhand under PMAY (U) as per details at **Annexure VIII A.**
- ii. accorded approval for Central Assistance amounting to Rs. 9433.50 lakh for 17 AHP projects for construction of 6, 289 houses of EWS category as submitted by the State Government of Jharkhand under PMAY (U) as per details at **Annexure VIII B.**
- iii. accorded approval for Central Assistance amounting to Rs. 15,612.00 lakh for 24 BLC (New) projects for construction of 10,408 houses of EWS category as submitted by the State Government of Jharkhand under PMAY(U) as per details at **Annexure VIII C.**
- iv. recommended release of the first instalment of Central Assistance amounting to Rs. 5,515.60 lakh (40% of Central Assistance) for the 19 ISSR projects of Jharkhand.
- v. recommended release of the first instalment of Central Assistance amounting to Rs. 3,773.40 lakh (40% of Central Assistance) for the 17 AHP projects of Jharkhand.
- vi. recommended release of the first instalment of Central Assistance amounting to Rs. 6244.80 lakh (40% of Central Assistance) for the 24 BLC (New) projects of Jharkhand.

<b>9</b>	<b>Proposal for Revised Operational Guidelines for construction of Demonstration Housing Projects (DHPs) in the States using green and emerging technologies under the capacity building initiative of PMAY (U)</b>
----------	---

The proposal was not discussed and stand deferred.

<b>10</b>	<b>Review on Capacity Building activities under PMAY(U) programme</b>
-----------	---

A presentation was made to the States/UTs on the overall progress of capacity building under PMAY (U). The States/UTs were presented with an overview of deployment of specialists in SLTCs/CLTCs and the need for deploying the right specialists to the right position was explained. JS&MD (HFA) advised the State/UT Governments not to depute Government employees in SLTCs or CLTCs. All States/UTs will have to ensure 100% deployment of specialists in SLTCs and CLTCs for better implementation of the scheme. States were urged to position both Capacity Building specialist and IEC specialist in the SLTC or in the event that two positions cannot be filled in, one specialist could be delegated to perform both roles. The Annual Capacity Building plans for 2018-19 need to be submitted by 31<sup>st</sup> March 2018 along with SLSMC minutes and utilisation certificates. With respect to preparation of IEC plan, it is important for State/UT Governments to project strategies determining quantity, quality & outreach. States/UTs need to engage Independent Facilitating Agency for Social Audit and TPQMA at the earliest.

<b>11</b>	<b>MIS/Geo tagging App</b>
-----------	----------------------------

- i. Geo-tagging mobile app developed for monitoring AHP/ISSR projects was demonstrated and all States were requested to geo-tag their project site locations by January 15, 2018.

- ii. States were requested to start reporting monthly physical and financial progress online in PMAY(U) MIS with effect from January 2018.
- iii. After identifying beneficiaries for AHP/ISSR projects in MIS, the allotment of houses should also be done online through PMAY(U) MIS portal through Aadhar authentication.
- iv. NRSC was present in a video conference to address issues raised by States regarding geo-tagging of BLC projects. States had issues pertaining to slow performance of NRSC server as a result of which lot of time is taken to upload photos on Bhuvan portal. Also, they raised issues regarding non-availability of photo on server even after sending from mobile app and thus supervisors are not able to accept those stages many a time. NRSC was requested to develop a tracking mechanism wherein time taken for photo upload can be reported and timely action could be taken, in case delays are observed.

<b>12</b>	<b>Other important observations/directions of CSMC</b>
-----------	--

The following important observations were made regarding project proposals and implementation of projects under PMAY (U). States should take note of the observations of CSMC and take further action accordingly:

- i. All States have been requested to provide details of ongoing residential housing projects in a format sent to all Secretaries/Principal Secretaries dealing with housing. Representatives present in the meeting were requested to expedite the information.
- ii. State/UTs to expedite finalisation of agencies for TPQM and Social Audit as per the guidelines.
- iii. First instalment of Central Assistance in case of BLC/ISSR projects shall be released when all beneficiaries in the project are Aadhaar seeded and in case of AHP projects 2<sup>nd</sup> instalment shall be released only after Aadhaar seeding of all beneficiaries is captured in the project. Hence, claim for release of 2<sup>nd</sup> instalment of Central Assistance for a project must be submitted only after the Aadhaar seeding of all the beneficiaries in the project is completed in PMAY (U)-MIS by the State/UT Governments.
- iv. Secretary, MoHUA directed that MIS report(s) captured in PMAY (U) may be shared with States/UTs on fortnightly basis.
- v. It was directed that all North-Eastern States, smaller States like Kerala and Goa, Hilly States (Uttarakhand, Himachal Pradesh and Jammu & Kashmir) and all UTs should saturate their total demand for sanction in the year 2017-18 itself, which would enable them to complete all the houses by 2020. All other States should saturate their 50% of the demand for sanction in the year 2017-18 and balance 50% in 2018-19, which would enable them to complete the houses by 2021-22 along with UCs and completion certificates etc.
- vi. Secretary (HUA) desired the States/UTs to collect data in respect of houses of EWS/LIG category which are being constructed through State sponsored schemes, Development Authorities, Housing Boards, Private Developers and Individual constructions in all statutory towns. EA/NBO will coordinate the efforts and will update regularly the progress made.
- vii. States/UTs to share good quality images of the housing for documentation of case studies. It was also advised to document success stories of the PMAY (U) projects

- which highlight a tangible change in the livelihood of the beneficiaries due to this programme.
- viii. MoHUA will document, film and disseminate the good practices through its quarterly newsletters.
  - ix. The States were advised to incorporate latest technology in construction of housing units and document the same.
  - x. A robust MIS System is critical for PMAY (U) Mission. States need to constantly monitor the progress of survey data entries and link of beneficiaries to sanctioned projects in PMAY (U)-MIS. All States/UTs to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS. Beneficiary's details to be entered in the PMAY (U) MIS should be Aadhaar based and name of beneficiary as in Aadhaar should be entered.
  - xi. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY(U) as under:
    - a. In case of Centrally Sponsored Schemes:
      - o For Beneficiary Led individual house Construction (BLC) and ISSR, under PMAY (U), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
      - o In the case of Affordable Housing in Partnership (AHP), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhaar numbers of the beneficiaries duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.
    - b. In case of Central Sector Scheme:
      - o for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNAs
  - xii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
  - xiii. Projects such as VAMBAY, JNNURM, which have already been funded under housing schemes of GoI should not be considered for further funding under PMAY (U).
  - xiv. Under BLC, all individual houses shall have to be Geo-tagged on the BHUVAN (MoHUA) application. Further, the States are advised to release funds to the beneficiary only after the beneficiary completes the construction up to foundation level through their own funds.
  - xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U). The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for Houses in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this fraudulent activity.
  - xvi. BMTPC to come out with a standard layout for BLC projects for all States/UTs. **(Action: BMTPC).**

- xvii Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (TPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
- xviii All States/UTs should utilize the released central funds expeditiously and submit Utilisation Certificates duly signed by competent authority in State/UT Governments as in the prescribed format given in the scheme guidelines. Parking of funds should be avoided.
- xix. The MoHUA has formulated 'PPP Models for Affordable Housing' to enable States/UTs to facilitate private sector participation, in order to meet the growing need of affordable housing in the country. The States/UTs are advised to make use of these guidelines suitably for PPP projects on affordable housing.

The meeting ended with a vote of thanks to the Chair.
