32	GENERAL OBSERVATIONS	54

Minutes of the 54th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 8th June, 2021.

The 54th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY-U] was held on 8th June, 2021 at 2.30 p.m. in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in chair. The list of participants is at **Annexure-I.**

2. At the outset, the Joint Secretary & Mission Director (HFA) welcomed Secretary, MoHUA, participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. With the permission of Chair, Joint Secretary and Mission Director (HFA) made a detailed presentation on **National Progress of PMAY-U.** The following issues were highlighted in the presentation:

i. 112 lakh houses have been sanctioned, covering investment of ₹ 7.35 lakh crore with Central Assistance of ₹ 1.81 lakh crore, out of which ₹ 96,067 crore has been released to the States/UTs/CNAs. So far, about 82 lakh houses have been grounded for construction, of which 48 lakh houses have been completed.

ii. Focus should now be given on **completion** of approved projects/houses within the stipulated timeline. As far as smooth fund flow for implementation of the projects under PMAY-U is concerned, the following compliances on the part of States/UTs are very critical:

- **Aadhaar seeding of** beneficiaries in the projects for release of **first instalment in BLC** Projects.
- Uploading of **RERA certificate** in PMAY-MIS, **selection of Developer** and issuance of the work order in **AHP** projects for release of **first instalment.**
- **Submission of Action Taken Reports (ATRs)** on TPQMA observations and Social Audit reports which are critical for release of subsequent instalments.
- **Completion** of 90% sanctioned houses and **completion certificate** w.r.t projects for claiming of **third instalment**. In the absence of TPQMA report, Engineering Department/ concerned Executive Engineer(s) may certify quality of construction and that a unit is complete for claiming third installment.
- **UC** of earlier releases, **ATR** w.r.t critical observations made by TPQMA and **Geo-tagging**.
- Clearing of all **pending UCs** w.r.t fund released up to **31st March, 2020**.
- Release of **corresponding State share** (Utilisation of State and Central fund must be reflected in **DBT expenditure)**.

Thereafter, State/UT-wise progress achieved on different parameters like grounding, completion, occupancy, Aadhaar, MIS entries etc. were discussed in the meeting. While the progress in a few States (e.g., Gujarat, M.P., Tripura, Odisha) was found exemplary, the lagging States/UTs were advised to further increase their efforts in

achieving the desired progress. Major concerns with regard to execution of BLC and AHP projects in the States/UTs were also discussed.

The representatives of the State/UTs Governments participating in the CSMC were requested to take note of the issues highlighted and to ensure necessary compliance.

iii. **Inauguration of Demonstration Housing Project (DHP) at Panchkula, Haryana.**

Joint Secretary and Mission Director (HFA) has informed that one DHP at Panchkula, Haryana has been constructed under the Technology Sub-Mission of PMAY-U and is ready to be put in use as **Working Women's Hostel** (on rental basis). On his request, Secretary (MoHUA) inaugurated the **DHP** at **Panchkula, Haryana** through video conference during the CSMC meeting. The Executive Director, BMTPC explained that the DHP at Panchkula consists of 40 DUs (G+3) with other provisions such as Medical Room, Guest Room, Care Taker Room, Daycare Centre, Common Room/Dining Room and Laundry room. This has been constructed using one of the emerging technologies i.e. Light Gauge Steel Framework System (LGSFS) with Cement Fibre board on both side of walls and infill of rock wool, at the land measuring 1412 Sqm. at Sector 27, Panchkula, Haryana provided by Municipal Corporation, Panchkula at a cost of Rs. 521 lakh. This Social Purpose project will be used by State Government as Working Women Hostel (on rental basis). The special features of project include Rain Water Harvesting, Solar Street Lights, Firefighting services, etc. The Project was started in COVID period (in July, 2020) and completed in May 2021. The DHPs are helping in spreading awareness about new technologies and disseminate technical know-how in the States under the PMAY-U- Housing for All Mission for speedy, safe and sustainable construction.

Secretary, MoHUA has desired that more DHP may be sanctioned with an idea to promote new innovative technologies for fast pacing housing construction activities. In this context, the Certificate Course on use of Innovative Construction Technologies titled **"New, Affordable, Validated, Research Innovation Technologies for Indian Housing (NAVARITIH)"** which was started in February, 2021 by BMTPC in collaboration with School of Planning and Architecture (SPA), New Delhi would be of much help for students, academicians and other stakeholders in construction sector.

iv. **Re-launching of "PMAY-U Awards 2021: 100 Days Challenge":**

Joint Secretary & Mission Director (HFA) has informed that on account of the request from the States/UTs and taking into cognizance of the fact that on ground progress of the projects was affected in the wake of 2nd wave of COVID-19 pendamic, the period of **100 Days' Challenge for Awards 2021** has been changed from 8th March to 20th June as earlier, **to 21st June to 30th September, 2021** He

therefore requested Secretary, MoHUA to re-launch "PMAY-U Awards 2021: 100 Days Challenge" accordingly. The Secretary, MoHUA re-launched the **"PMAY-U Awards 2021: 100 Days Challenge" virtually through video conferencing in the presence of representatives from all the States and UTs.** The Secretary requested all States/UTs to participate in the Challenge with more vigour and enthusiasm and informed that the revised SoP for the 100 Days Challenge would be made available to all States/UTs shortly. JS & MD (HFA) has also made a brief presentation on the 100 Days Challenge highlighting interalia the following activities:

- Declaration of **'HFA Achieved'** cities/towns within challenge period.
- Geo-tagging of houses (ensuring photo quality as per the advisory circulated by the Ministry as **all Geo-tagged images are in public domain**)
- Cities/Towns for 100% grounding within the challenge period for **achieving maximum numbers** of cities with 100% grounded houses.
- **Data compliances** - uploading of annexure, beneficiary attachment, address/contact details of beneficiaries etc.
- **Submit/Upload** Utilization Certificates and ATRs and geo-tagged image of completed houses to claim 3rd instalment through PMAY-MIS.
- **Update of joint ownership** in fastest manner, to become eligible for ***Special Category award*** on this parameter.

Secretary, MoHUA desired that there should be more than 100 lakh houses grounded and 50 lakh occupancy by the end of the 100 Days Challenge. States/UTs should undertake massive activities for achieving ULB/District-wise saturation. During this 100 Days Challenge period, at least 5 lakh houses should be completed.

v. **Launching of 'E-Module for Technograhi':**

Secretary, MoHUA also launched **'E-Module for Technograhi'**, covering modules of different aspects of PMAY-U, light house projects, innovative technologies, virtual tour, e-course etc. Covid pendemic has restricted physicial movement and to overcome this, an E-Module for Technographi has been prepared for the students, technocrats, universities, academia, teachers, engineers, architects etc. These modules are in self-learning mode and need to be gone through one by one. Registered Technograhis can now take benefit through these specicially designed e-modules for learning, propagating and adopting new innovative technologies in all construction activities in different geo-climatic regions. The aim of this e-module is to minimise use of natural resources, adopt environment friendly materials, less generation of carbon emission and cost-effective & speedier construction activities. All agencies involved in construction activities need to register for Technograhi and make use of it. This would certainly be a **very helpful technology knowledge pack.**

3. Thereafter, following observations/directions of CSMC were made for compliance by all State/UT Governments:

i. Secretary, MoHUA has emphasised on the **Compliance to the COVID-19** protocol and COVID appropriate behaviour by all employees and workers in all activities under PMAY-U. He elaborated that 2nd wave of COVID-19 has adversely affected all sectors of economy including construction. Almost in every part of the country, the construction of houses sanctioned under PMAY-U was disrupted due to covid pendamic. However, the situation is now improving and many State/UT Governments have opened lockdown in a staggering manner. It is expected that the pace of housing construction activities will also increase gradually. Implementing agencies should ensure all safety measures like masks, sanitisers, gloves to the on-site construction workers, monitoring their vitals like temperature, SpO2 levels, blood pressure, provision of primary health care, counselling and facilitating the workers and their families about further course of treatment, and helping them to get vaccinated.

ii. **Vaccination** for each citizen of the country is very important to defeat **COVID-19** pendamic. Therefore, it is desirable that efforts be made by all stakeholders like municipalities, PWDs, Housing Boards/Authrorities, Government functionaries etc. to facilitate **vaccination for all** as and when these are available, so as to break the chain of pendmic.

iii. Secretary, MoHUA has **emphasised on the Completion of preliminary activities for roll out/implementation of revised procedures for release of funds which will be effective from 1.7.2021 under Centrally Sponsored Scheme (CSS).** Under PMAY-U, the revised procedure will be applicable for BLC, AHP, ISSR components.

He directed all the States/UTs to complete the preliminary activities in respect of PMAY-U as per the guidelines circulated by the Ministry of Finance and the same has been made available by this Ministry vide letter No G-25020/1/2021-HFA-II-UD (9109195) dated 21st May, 2021 to all States/UTs for completing the required actions well before 1st July, 2021. Highlighting the new procedure, it was informed that all the funds for CSS released to the State/UT Governments will remain in a separate account at SLNA/SNA level and zero balance account at IA/ULB level under CSS scheme. The Implementating Agency will be able to withdraw the fund to the extant of bill/expenditure from SLNA/SNA account. The purpose of the revised procedure of fund release for CSS is to optimise utilisation of fund flow and to avoid parking of funds at the ULB/Implementation Agency level. The major preparatory activities required to be completed by the States/UTs before 1st July, 2021 are as under:

a) A Single Nodal Agency (SNA) is designated for each CSS by every State Government.
b) Each SNA is registered in the Public Financial Management System (PFMS) and the back account of each SNA is opened and mapped in PFMS.
c) Funds available in the bank account of all. the Implementing Agencies (lAs) below the SNA are transferred to the bank account of the SNA concerned with clear bifurcation of the Central and the State share.
d) Zero balance bank accounts of the lAs down the ladder are opened.
e) All the lAs are registered in PFMS and their zero balance accounts are mapped in PFMS.

f) Separate budget lines for Central and State shares are opened by every State Government in the State budget for every CSS having a State share and necessary provision of funds is made in the State budget for both the components.

g) If a CSS is being implemented through a separate Central or State IT system, the same is integrated with PFMS.

h) State GIFMIS is enabled to capture scheme component wise expenditure alongwith PFMS scheme codes and Unique Code of the agencies incurring the expenditure.

Secretary, MoHUA has also desired that there would be a **separate webinar meet** to assess the progress in this regard.

iv. States/UTs proposing for curtailment of houses/cancellation of projects should ensure that no eligible beneficiaries are deprived of the benefits under the Scheme, owing to such curtailment/cancellation. For placing curtailment/cancellation proposals, States/UTs must observe the following:

- Where beneficiaries are finding difficulties in arranging their contribution, the State may assist them through credit mechanism/Bank linkages.
- State should examine the list of beneficiaries to avoid any future dispute and resentment. No eligible beneficiary should be deprived of benefit of the scheme owing to curtailment/cancellation of projects.
- Consent of beneficiaries must be taken before proposing any curtailment.
- Curtailment proposal should invariably have approval of SLSMC with due consideration of views of political leadership/elected public representatives.

v. All States/UTs must take necessary action for updation of data in PMAY-U-MIS on a regular basis.

vi. While reviewing the progress of the States/UTs in implementing PMAY-U, the Secretary, MoHUA has emphasised that the year 2021-22 is very important in terms of implementation and achievement of the goals set under PMAY-U as the Mission period is upto 31st March, 2022. The States/UTs should declare cities, which have achieved 100% sanctions of houses against demand, 100% grounding against sanction and 100% completion/occupied as "**HFA achieved".**

vii. The performance of a State/UT will be measured in terms of percentage of completed houses and percentage of grounded houses against their approved targets. Now, the benchmark for considering any new proposal for Central Assistance under the scheme will be:

- Grounding of at least 95% of the sanctioned houses for which funds have been released
- Completion of 75% of the grounded houses

viii. States/UTs should adopt a focused approach for:

- Completion of the grounded houses and ensuring their occupancy by the identified beneficiaries
- Grounding of the remaining houses at the earliest and ensuring their completion and occupancy within the stipulated timeline

ix. Regarding IEC activities, all the States/UTs were advised to make sure that the name of the women beneficiary is displayed prominently along with the **Logo of PMAY-U** Mission on the address plate/name plate in front of all the houses constructed under the Scheme. States/UTs were also directed to upload best practices, success stories, case studies, photographs on social media platforms for wider dissemination of the information and activities being undertaken by the States/UTs. It was also advised to keep official websites and social media platforms updated.

4. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. The agenda items also form part of the minutes. The State-wise minutes in alphabetical order are recorded as follows:

1	**Confirmation of the minutes of the 53rd meeting of CSMC under PMAY-U held on 22.02.2021 (Agenda 1)**

The minutes of the **53rd meeting of CSMC under PMAY-U** held on 22.02.2021 were confirmed.

2	**Consideration for Central Assistance for 75 BLC (New) projects submitted by Andhra Pradesh (Agenda 24)**

A. Basic Information:

The proposal for consideration of CSMC was for Central Assistance for 75 BLC (New) projects under PMAY-U submitted by State Government of Andhra Pradesh. The salient details of the proposal are as under:

(₹ in lakh)

Component	No. of Projects (cities)	Total No. of houses proposed	No. of EWS houses proposed	Central Assistance	State share	Beneficiary contribution	Date of Appraisal bySLAC/ approval of SLSMC

B. Additional information given by the State:

i.	17,000 layouts have been developed all over the State to provide land Tenure for landless poor. Out of 16.74 lakh BLC beneficiaries, land pattas have been issued for 12.50 lakh beneficiaries. In all layouts, the Govt is providing all basic infrastructures such as water supply, electricity, roads and other social amenities also through convergence with other State and Central Government Schemes. Pattas were issued in the name of women to ensure their economic security. In each District one Additional Collector is engaged to specifically govern the housing programme. Apart from this, volunteers were engaged to look after the beneficiary selection enrolment and

	facilitation of grounding of houses. Through transparent open tender system, the beneficiaries were linked with suppliers to purchase cement, steel and bricks at affordable rates. About 10.60 BLC houses are in advanced stages of construction. The State has planned for a massive mission with campaign during 100 days Challenge for grounding and completion of houses with beneficiaries as well as other stakeholder's participation.
ii.	The progress of houses construction has been affected severely since last 15 months due to restriction/lockdown imposed on account of Covid pandemic. Therefore, the State has requested Government of India to extend the programme up to March, 2023.

C. **CSMC observations:**

Progress so far:

Verticle	Approved houses	Grounded houses	Completed houses	Grounding vs Sanction %	Completion vs Sanction %	BLC houses Geo-tagged/ AHP %	Beneficiary Attachment %
AHP	3,11,186	3,10,169	1,91,161	99	62	70	108
BLC	16,74,815	10,67,089	1,34,225	63	13	72	92
CLSS	46,873	46,873	46,873	100	100	-	-

i.	The CSMC advised that concerted efforts should be put in for timely grounding and completion of sanctioned houses and allotment to the beneficiaries of PMAY-U.
ii.	State Govt is promoting lay outs at the city and town outskirts to issue patta to the urban poor for construction of houses under BLC. State to ensure access to transport and other basic infrastructure to the beneficiaries so that their livelihood options are not disturbed.
iii.	As advised earlier, **integration of State financial system with the PFMS may be completed immediately**, so that further fund can be released.
iv.	Women ownership or joint ownership of houses must be ensured to all beneficiaries under PMAY-U. Only male ownersip should be avoided by ensuring Joint Ownership.
iv.	State Government may consider using new innovative housing technologies for construction of houses. HFA Directorate has shortlisted few technologies for Light House projects and are being documented which can be adopted for AHP/BLC houses. Simiarly, standard housing designs for various sizes of plots may be prepared which can be adopted by beneficiaries for construction of houses under BLC vertical. All the houses must be planned with two habitable rooms as per NBC norms.
v.	Geo-tagging of houses in the State is very slow. State government should ensure that all houses in progress are geo-tagged at the earliest.
vi.	The HFAPoAs for all the remaining cities should be submitted by the State at the earliest
vii.	There is unspent balance of ₹ 3251.18 crore under PMAY-U. The State should expedite submission of the pending UCs. Utilization Certificates of ₹ 1346.25 crore of the fund released under PMAY-U upto 31.3.2020 should be submitted urgently. Further,

Proposal No. 5 Approval of Type design for PMAY-U (BLC) Housing Scheme.

APTIDCO, Govt. of Andhra Pradesh has submitted for Type Design of 340sq ft plan for adoption in implementation of PMAY-U (BLC) vertical for construction of houses in State of Andhra Pradesh. Further, APTIDCO has sought relaxation in NBC norms for construction of rooms in BLC houses.

E. CSMC Observation:

As per para 2.3 of the PMAY-U guidelines, incase the land area is not sufficient to follow the NBC norms to accommodate the prescribed minimum room size, the State Govt. can consider reduced size of carpet area of the house with the consent of beneficiaries and approval of SLSMC. Further, as per para 2.4 of the guidelines, NBC norms/BIS code need to be followed for structural safety against earthquake, cyclone etc. Thus, type design for reduced size of houses does not need separate approval of CSMC but in no case, the design should deviate from the requirement of minimum built up area of 21 sqm. On the proposed type design of EWS houses for BLC (New) houses by the State Government, it was clarified that PMAY-U guidleines stipulates that the minimum size of houses constructed under each component should conform to the standards provided in National Building Code, "The National Building Code" has following provisions for Low Income Housing:

"In a house of two rooms, first room shall not be less than 9.0 sqmt with minimum width of 2.5 m and second room shall not be less than 6.5 sqmt with minimum width of 2.1 m provided that the total area of both the rooms hsall not be less than 15.5. sqmt."

The relaxation in the above requirement has been given in the PMAY-U guidelines for specific cases where available area of land does not permit building of such minimum size of houses as pe NBC and if beneficiary consent is available for reduced size of houses, it may, however, not be gernalized.

The proposed type design submitted has two habitable room of size 7.15 sqmt and 7.68 sqmt, combined area is 14.83 sqmt which is less than NBC requirement. Considering the proposal submitted by the State as general, applicable to all houses to be built under PMAY (U), State Government may review the type design to follow minimum requirements of dimensions stipulated in National Building Code. The State Govt. may modify the proposed type design to adhere to the minimum requirements.

B. CSMC Observations:

The State Government should have carried out due diligence while formulating the proposal for seeking approval of CSMC. It should be ensured that no eligible beneficiaries are deprived of the benefit due to the proposed curtailment/surrender.

C. CSMC Decision:

After deliberations, the CSMC **approved** the proposals of the State Government of **Gujarat** for **Cancellation of 17,181 EWS** houses in 15 AHP projects, for **Curtailment of 1,256** EWS houses in 05 AHP projects **and for Revision** in number of EWS houses **from 5,128 to 5,293** i.e. **addition** of 165 EWS houses in 1 AHP project approved in 30th CSMC, and directed that :

a. State must ensure that the DPRs where the curtailment/revision has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
b. Central Assistance released for beneficiaries in projects which has been dropped, curtailed or revised may be adjusted in subsequent releases to the State.
c. State Govt. must ensure uploading of revised signed annexure (7B) and remove the curtailed beneficiaries from PMAY-U-MIS.
d. State should ensure that no eligible and willing beneficiary is deprived of the benefit under PMAY-U.
e. The first installment of Central Assistance for additional 165 EWS houses in 1 AHP project due to revision will be released on fulfilment of required compliances.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure- 9A, 9B, & 9C.**

	Consideration for Central Assistance for 1 BLC (New) project submitted by the State of Haryana (Agenda 8); and
10	**Proposal for curtailment/surrender of 1,30,879 houses (surrender 60,345 houses in 61 AHP project and curtailment of 70,534 houses in 19 AHP projects) in 80 AHP projects earlier approved by CSMC under PMAY-U for the State of Haryana (Agenda 9)**

A. Basic Information:

The proposal under consideration of CSMC was for Central Assistance for 1 BLC (New) project of 238 houses submitted by State of Haryana. Similarly, State Government has also proposed surrender/cancellation of 1,30,879 houses in 80 AHP projects.

B. CSMC observations:

i	The progress of construction of sanctioned BLC houses is very less. As on date, funds released was sufficient to complete 42,116 houses; however, actual completion is only 4,459 houses against 67411 sanctioned houses in BLC verticle.
ii.	During last 3 to 4 years, all the 82 sanctioned AHP/ISSR projects have remained **non-starter.** State is yet to focus on implementation of PMAY-U programme despite the huge potential owing to close vicinity of NCR.
iii.	The Committee felt that discussion at higher level in the State of Haryana is required before taking any decision of curtailment/cancellation of such a large number of houses/ projects. Simiarly, keeping in view the slow pace of construction of BLC (N) houses in the State, it will not be appropriate to sanction new houses at this stage.
iv.	The State has an unspent balance of ₹ 405 crore under PMAY-U for which Utilization Certificates is due and should be submitted immediately. There is also UC pending of ₹ 73.2 crore under JnNURM and ₹ 51.16 crore under RAY. There is also recoverable excess ACA of ₹ 8.59 crore under JnNURM, which may be refunded immediately alongwith the interest applicable as per rules.

C. CSMC Decision

In view of the above, the CSMC deferred the proposals of the State Government of **Haryana** for sanction of 1 BLC (New) project and cancellation/curtailment of 1,30,879 houses in AHP projects.

13	**Consideration for Central Assistance for 40 BLC (New Construction) projects submitted by the State of Jharkhand (Agenda 10)**

A. Basic Information:

The proposal for consideration of CSMC was for Central Assistance for 40 BLC (New Construction) projects submitted by the State of Jharkhand. The salient details of the proposal are as under:

Component	No. of Projects (cities)	Total No. of houses proposed	No. of EWS houses proposed	Central Assistance (₹ in lakh)	State share (₹ in lakh)	Beneficiary contribution (₹ in lakh)	Date of Appraisal by SLAC/approval of SLSMC
BLC (New)	40(40)	36,304	36,304	54,456.00	27,228.00	49,772.784	10.3.2021/ 12.3.2021

B. Additional information provided by the State:

i.	Encumbrance free land is available and beneficiaries' details have been verifieid.
ii.	There is no duplication of beneficiaries in the proposed projects.
iii.	Due to COVID-19 pandemic, the progress has been slowed down as there was shortage of labour and supply of building msuaterials. All ULB officials are engaged in the duty of COVID-19 and have been affected severely by this pandemic and due to many casualties, the progress of the scheme is hampered. Time extension of all AHP/ISSR projects are therefore required.

C. CSMC observations:

Progress so far:

Vertical	Approved	Grounded	Completed	Grounding vs Sanction %	Completion vs Grounding %	BLC houses Geo-tagged /AHP and ISSR projects %	Beneficiary Attachment %
ISSR	15,817	-	-	-	-	25	1

CLSS	12,119	12,119	12,119	100	100	-	-

i.	During last 3 to 4 years, out of 72 sanctioned AHP/ISSR projects, only 2 projects are with more than 95% completion of houses; 51 projects are still non-starter. State needs to focus to complete balance 54,736 houses spread across 32 out of 45 cities in next few days for the purpose to declare HFA cities.
ii.	It was observed that the Light House Project sanctioned in Ranchi, Jharkhand, which was

	inaugurated by Hon'ble Prime Minister on 1st January, 2021 in the presence of Hon'be Chief Minister of Jharkhand has not yet been started inspite of repeated assurance given by the State. The issues have not been resolved and it seems there is lack of efforts by the State Government. While other LHPs are in different stages of construction and progressing well, the LHP project at Ranchi has not even grounded. The Committee advised State Government must take all efforts to start the LHP project at Ranchi immediately and apprise this Ministry within a week.
iii.	Unspent balance of ₹ 755.92 crore is lying with the State Government under PMAY-U. Further, Utilization Certificates of ₹ 341.08 crore under PMAY-U are pending. The State should expedite submission of the pending UCs immediately.

A. Basic Information:

The Committee was informed that State Government of Karnataka has proposed proposals for cancellation/curtailment/modification in AHP and BLC projects approved in different CSMC meetings. The reasons for curtailment/cancellation includes beneficiaries not owning land, wrong beneficiary attached in PMAY-U-MIS, duplicate entry of beneficiaries, death of beneficiary, migration, etc. The SLSMC in its meeting held on 12.24.2021 has approved the proposals. The details of the proposals are as under:

Proposal No. 1: Cancellation/Curtailment of 31,293 houses in 49 AHP projects approved in 7th, 11th, 23rd, 30th 40th, 41st and 43rd CSMC meetings and Shifting these houses to new locations.

The RGHCL informed that in the above AHP projects, beneficiaries are finding difficulty in contributing their share and bankers are not coming forward to lend loan to these beneficiaries since they belong to BPL category and do not have regular source of income. Further, the cost towards infrastructure, tender premium, cost escalation needs to be borne by the ULBs and as the ULBs are experiencing major constraints of poor revenues, they are not in a position to contribute their share in time under these projects. 32	GENERAL OBSERVATIONS

i. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. However, States/UTs should not display any such information which are inviolation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

ii. State Governments may prepare short films, printed literature/documents on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and also in various social media platforms for generating awareness. The State Government should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

iii. The State/UT Governments should consider ISSR component of PMAY-U for rehabilitation of slums by using land as a resource which is available with the States/UTs/ULBs.

iv. The Central funds in general and EBR funds in particular, released under PMAY-U Mission should be passed on to the ULBs/Implementing Agencies within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in. The EBR fund is an interest-bearing fund and it is important that the funds so released to the State do not remain parked with SLNA/State Government, but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be adjusted/ recovered against subsequent instalments in the sanctioned projects under PMAY-U.

v. With regard to the vacant houses, if any, under JnNURM, the State Governments/UTs should look for realistic and pragmatic options for converting them in ARHCs.

vi. A robust MIS System being critical for PMAY-U Mission, States need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

vii. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

viii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

ix. The State/UT Governments may make provision of cistern in toilet, two platforms in kitchen, cemented almirah/slab, storage space in living room, loft, etc. which are basic requirement for a family. Similarly, plantation drive may be organised on completion of

construction work especially in AHP and ISSR projects to increase green cover at the locality. In BLC projects, houses should be constructed little away from the existing road, wherever possible, for better planning and ease of traffic movement. It was reiterated thatsince PMAY-U addresses the aspiration of human being for a better and dignified life, all out efforts should be made to provide maximum facilities.

x. The State/UT Governments may consider G+7 units under AHP and ISSR projects with lift facility as land is a scarce resource. The maintenance cost of the lift can be managed by the Resident Welfare Society, once houses are occupied.

xi. States/UTs should implement innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xii. Further, the first instalment of Central Assistance in respect of ISSR and AHP projects shall be released on confirmation from the State/UT Government(s) about selection of Developer, issuance of work order and registration of project in RERA. The 2nd instalment of Central Assistance shall however be released only for the Aadhaar seeded beneficiaries entered in PMAY-U-MIS and Geo-tagging of project by the State/UT Governmentsinrespect of the project(s).

xiii. The third and final instalment of Central Assistance in respect of BLC houses will be considered for release if **90%** of sanctioned houses in respective project(s) are completed and completion certificates are submitted. Central Assistance for remaining houses will be released on confirmation by the State that they are completed in all respects. In this regard, the **modified scheme guidelines (para 14.8)** issued in **January, 2021** may be referred to.

xiv. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.

xv. Allotment of houses in AHP and ISSR vertical of PMAY-U should be Aadhaar enabled, provision for which has already been made in PMAY-U-MIS.

xvi. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries.
c. Demarcation of land and mutation is carried out before implementation.
d. The design and construction of houses is disaster resilient and the specifications conform to IS/ NBC norms.

xvii. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for houses in PMAY-U. Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xviii. The Ministry has launched a PMAY-U Mobile App to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from

Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
