32	GENERAL OBSERVATIONS	59

Minutes of the 65th meeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 27th February, 2023.

The 65thmeeting of Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) was held on 27th February 2023at 3.00 p.m.in the Conference Room, Nirman Bhawan, New Delhi, under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA) and attended by participants/representatives from the State/UT Governments, officers of the Ministry and other Departments etc. The list of participants is at **Annexure-I.**

2. The meeting began with welcome address by the Joint Secretary & Mission Director (HFA). States/UTs (as in Annexure-I) of Andaman & Nicobar Islands, Andhra Pradesh, Assam, Chhattisgarh, Gujarat, Jharkhand, Karnataka, Ladakh, Madhya Pradesh, Maharashtra, Mizoram, Nagaland, Rajasthan, Sikkim, Tamil Nadu, Uttarakhand and Uttar Pradesh attended the meeting for review/monitoring and also submitted proposals for revision of projects (curtailments)/new projects.

3. Thereafter, Joint Secretary& Mission Director (HFA), MoHUA made a detailed presentation covering present status of PMAY-U. He informed that as on 31.03.2022, a total of 122.69 lakh houses were sanctioned involving Central Assistance of ₹2.03 lakh crore. Against sanctioned houses, more than 109.02 lakh houses have been grounded for construction; of which around 71.01 lakh houses have been completed and delivered to beneficiaries. Central Assistance of ₹1.41 lakh crore has been released to State/UT/CNAs.

4. He further informed that during the extended period of the Scheme, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against their proposal for curtailment of non-starter houses under BLC, AHP and ISSR verticals of PMAY-U. It was pointed out that about 14.39 lakh houses under different verticals are yet to be grounded. States of Andhra Pradesh, Maharashtra, Uttar Pradesh, Karnataka, West Bengal, Gujarat and Haryana have the maximum number of non-starter houses. It was emphasized that States/UTs need to review all such non-starter houses which were sanctioned before 31.3.2021 and propose curtailment of houses accordingly. With respect to non-starter houses sanctioned under BLC, AHP and ISSR vertical, CSMC decided following:

i) Grounding of houses sanctioned up to 31st March 2021 has been emphasized again and again. All such un-grounded houses under BLC, AHP and ISSR vertical sanctioned will be treated as deemed cancelled/curtailed, if not started by 31st March, 2023. States should either ground these houses or submit curtailment proposals accordingly.

ii) Completion of AHP houses takes a lot of time. All un-grounded houses under AHP vertical sanctioned up to 31st March 2021, if not started by 31st March 2023 will be treated as deemed cancelled/curtailed and no funds will be released by MoHUA.

iii) All un-grounded houses under BLC vertical, sanctioned up to March 2022, should be grounded by 31st May 2023. If these are not grounded by 31st March 2023, no funds will be released by MoHUA unless cogent reasons of non-grounding are submitted to MoHUA after consideration of SLSMC.

iv) State/UT Governments may send proposals for curtailment of all non-started houses under Rajiv Awas Yojana (RAY) which will be considered in next CSMC meeting so as to clean data of all non-started houses under PMAY-U and RAY.

v) **No new house will be sanctioned after 30thApril 2023.**

5. Utilization Certificates of ₹1,420.20 crore are pending from States/UTs against the Central Assistance released upto 31.03.2021 and there is unspent balance of ₹9,849.93 crore. States of Andhra Pradesh, Bihar, Jharkhand, Haryana, Maharashtra, Rajasthan still have major part of pending UCs. States/UTs should strive to minimize the unspent balance and submit UCs of maximum amount at the earliest so that further funds can be released for early completion of houses. Further, an amount of ₹1,361.80 crore of Centre Assistance(CA) out of ₹13,654.09 crore released to the States/UTs in FY 2022-23 is still lying in State/UT treasury account and is pending for release to SNA account of the respective States/UTs. The State Governments of Andhra Pradesh, Madhya Pradesh, Karnataka, Odisha, Maharashtra, Jharkhand, and Manipur were requested to transfer the funds to their SNA account immediately.

6. States of Maharashtra, West Bengal, Uttar Pradesh, Andhra Pradesh, Karnataka, Gujarat, Haryana and Rajasthan, which have large number of houses which are still a non-starter, need to expedite their grounding. In most of the States/UTs, pace of completion of grounded houses is very slow particularly in the States of Rajasthan, Haryana and Maharashtra. Further, occupancy of completed AHP houses is very low particularly in the States of Chhattisgarh, Gujarat, Tamil Nadu, Telangana, Maharashtra, Rajasthan and

Andhra Pradesh. States/UTs need to expedite the completion of houses and allotment of completed AHP houses to the beneficiaries. States/UTs may expedite completion of infrastructure in these AHP projects so that houses are occupied by beneficiaries.

7. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for the meeting. It was informed that new BLC houses of 2,29,437 are proposed against cancellation proposal of 2,28,324 houses as per Agenda. The agenda items also form part of the minutes. 32	**GENERAL OBSERVATIONS**

i. The PMAY-U Mission has been extended upto 31st December, 2024 to complete the houses sanctioned upto 31st March, 2022 without changing funding pattern and implementation methodology. During the extended period no additional houses will be sanctioned. However, within an overall ceiling of 122.69 lakh houses sanctioned till 31.03.2022, the houses may be sanctioned for States/UTs under BLC vertical against the curtailment of non-starter houses under AHP/BLC/ISSR vertical of PMAY-U.

iii. The focus of the Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all the sanctioned houses/project within

stipulated timeframe and further advised to launch a special drive/campaign for this purpose.

iv. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd installments** of Central Assistance.

v. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.

vi. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. However, States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

vii. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders any interest earned on Central Assistance released to States/UTs will be refunded to CFI.

viii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.

ix. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.

x. A robust MIS System being critical for PMAY-U Mission, States/UTs need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY-U-MIS. All States/UTs should ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.

xi. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

xii. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10thof every month so that the data are reconciled before every CSMC meeting.

xiii. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xiv. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries.
c. Demarcation of land and mutation is carried out before implementation of the projects.
d. The design and construction of houses are disaster resilient, and the specifications conform to IS/ NBC norms.

xv. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency /organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvi. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

xvii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
